Care Instructions

Vitreous China

Do's

- Clean regularly with warm soapy water (to stop the buildup of dirt and lime scale). Rinse with cold water dry and polish with a dry soft cloth.
- A cream or liquid cleaner can be used.
- Occasional use of mild bathroom lime scale removers is acceptable if used in accordance with manufacturer's instructions, rinsing off immediately with plenty of cold water.
- Use of bleach in the toilet bowl is acceptable.
- A ceramic rubber can be used to remove metal marks and minor blemishes.
- In hard water areas we strongly recommend that inhibitors or water softeners are fitted to the system during installation to help prevent lime scale attack.
- Do ensure that in hard water areas periodic check are made to the diaphragm washer located on the bottom of the flush valve.

Don't's

- Do not put bleach products (e.g. bleach blocks tablets) in the actual cistern as this can damage the internal fittings and will invalidate the warranty on the internal parts.
 - Do not put strong cleaners or bleach in the products to stand overnight.
 - Do not mix different cleaners in the WC s they can cause a chemical reaction and give off poisonous gas.
-

Seat Hinges

Do's

- Clean with warm soapy water.
- Rinse thoroughly and dry with soft cloth.

Don't's

- Do not force the operation of a soft-close seat.
- Clean with abrasive materials or products containing bleach.

Warranty

Troika faucets and bathware used in residential and non-residential are warranted to be free of defects in material and workmanship for the period of time as mentioned below in the warranty coverage table, commencing from the date of sale of Troika Faucets & Bathware to the original purchaser:

**RESIDENTIAL
10 YEARS**

**COMMERCIAL
7 YEARS**

Scope of Warranty

- > The warranty is not revived or prolonged on supply of spare parts during the warranty period . The company will at sole discretion, repair or replace any defective component or part of product with or without cost.
- > The warranty will be cancelled out if installation is not done by skilled and experienced technician and/or as per the installation procedure guided by the company.
- > These parts are not under warranty: Plastic & Rubber parts, Hoses & Consumables
- > The warranty is applicable only if the customer shows proof of purchase.
- > The warranty covers manufacturing defects of the product and will not cover defects generated out of control of the company like high water impurities/hardness, insufficient water pressure, breakage due to mishandling etc. The liability of the company will not exceed the purchase price of the product. Improper care and cleaning of the products will cancel out the warranty.
- > Troika has an innovative vision of product, designing, development and improvement, thus reserves the right to modify product specifications and prices without any prior notice.
